FYSA and direction to the KTR. Please see the below email from the unit at Brooklyn regarding the pending snow removal.

Their upcoming drill weekend will be negatively impacted if we cannot remove the snow in a timely manner.

Thanks for your assistance.

Subject: Snow Storm

Good Morning,

The weather is forecasting a 6-8 inch Snow Storm for NYC area from Wednesday Night till Thursday Morning. We have drill this weekend so I will need the tactical lot and the 2 regular parking lots plowed and salted. The last snow event took (b)(6) 2 days to get it plowed and salted. We never got around to the tactical parking lot cause it melted away. This upcoming snow event will drop even more snow on us. Can you provide (b)(6) extra help so the plow and salt can be completed in a timely manner?
